

Quick Color offers a select suite of LP® SmartSide® items that come prefinished, two coats, in colors from the LP Color Solutions palette. This program offers siding in all twelve colors in the palette. Trim and soffit are available in LP White only. Quick Color gives you the ability to get siding and trim for your project needs in a one week lead time or less. Best of all, products in the Quick Color program are backed by our 15/25 year warranty.
