

Product Warranty Options

15 Year Labor / Lifetime Material Warranty

15 years labor coverage with a lifetime coating material replacement warranty on the finish. This warranty is the result of our 2 coat process on LP® SmartSide® siding and trim products. This Limited Lifetime Warranty includes a FADE warranty component.

15 Year Labor / Lifetime Material Warranty

15 years labor coverage with a lifetime coating material replacement warranty on the finish. This warranty is the result of our 2 coat process on approved substrates. The Rain Drop 3D moisture shedding building wrap must be purchased from CSI and used behind our siding.

15 Year Labor / 25 Year Material Warranty

15 years labor coverage with a 25 year coating material replacement warranty on the finish. This warranty is the result of our 2 coat process on approved substrates.

5 Year Labor / 15 Year Material Warranty

5 years labor coverage with a 15 year coating material replacement warranty on the finish. This warranty is the result of our 1 coat process on LP® SmartSide® products. Textured lap siding is the only LP® SmartSide® product with guaranteed coverage and hide on approved colors. Other products require 2 coats.

15 Year Material Warranty

15 year coating material replacement warranty on the finish. This warranty is the result of either our 2 coat process on Real Cedar or our 1 coat process on approved substrates. Textured lap siding is the only product with guaranteed coverage and hide on approved colors using the 1 coat process. Other products require 2 coats.

25 Year Material Warranty

25 year coating material replacement warranty on the finish. This warranty is the result of our 3 coat process on Real Cedar products.

Disclaimer: Please refer to the actual warranty document for complete details and limitations.
