5/8" 4 x 9 R/S Fir T1-11 4" and 8" On Center

5/8" 4 x 8 R/S Fir RB&B 12" On Center

5/8" 4 x 9 R/S Fir RB&B 12" On Center

5/8" 4 x 8 R/S Fir Plain Face

Medium Density Overlay

Medium Density Overlay is an exterior-type panel manufactured with 100% waterproof adhesive. This plywood product combines the toughness of plywood with the superior wear of an overlaid surface. MDO is produced with B-grade face and back veneers and C-grade inner plies.

3/8" 4 x 8 MDO Plywood

1/2" 4 x 8 MDO Plywood
